The City of South Bend has announced a new round of workforce development training courses provided by Purdue Manufacturing Extension Partnership. The Pathways program assists workers from South Bend manufacturing companies with career training, improving employees' skills and providing them with advancement opportunities with local manufacturers. More about the Purdue MEP trainings and how to apply can be found **HERE**.

A new Sewer Lateral Reimbursement Program will offer a reimbursement up to $20,000 for qualified costs of connecting the sewer lateral to new low- and moderate-income homes. This funding may be used to cover the cost of the entire sewer lateral from the main line to the residential structure. Qualifying costs for reimbursement include labor, materials, traffic control, and restoration of pavement, curbs and sidewalks related to the sewer lateral work. Subject to the respective approvals by the Common Council and Board of Public Works, both the revised System Development Charges and the Sewer Lateral Reimbursement Program will be active by mid-July.

Check out the July newsletter from South Bend's Technology Resource Center (TRC) **HERE** to learn more about their programs.

Summer is here and DTSB is ready to Celebrate Summer! Visit DTSB's **website** for a complete list of all the activities planned for the summer.

The South Bend Police Department has offered to send an officer to neighborhood association meetings (or attend virtually), per request. If interested, or if you have questions or concerns, please contact Chief of Police, **Scott Ruszkowski** or Patrol Division Chief, **Eric Crittendon**.

The City of South Bend Department of Public Works is now accepting applications for the 2022 Lamppost Lighting Program, which assists homeowners with lighting enhancements in their neighborhoods. The program offers easy self-install, solar-powered lampposts for residential front yards. The city is focusing on 2 target areas of the city. More information on qualifying locations and details can be found **HERE**.
