

# City of South Bend

August-September 2018

## Hello Neighbor,

Throughout the month of July, South Bend reaffirmed our commitment to ensuring that all residents have access to city services. With support from over 200 students and residents, we launched the new southbendin.gov. The new website is mobile-friendly, has better ADA accessibility, and puts the information you want most right at the top. It also features the 311 portal, which enhances transparency by allowing residents to view the same information as 311 call takers.

Through August, be sure to enjoy Sunday evenings with a variety of bands and musicians at Potawatomi Park. All concerts are free and open to the public from 7-8 p.m. On September 14, join VPA for a 21+ free movie and fun night at Erskine Golf Course. Join in watching *Ferris Bueller's Day Off*, an 80s costume contest, movie trivia, food, drinks, and more!

Did you know Public Works requires all homes and businesses to have their downspouts disconnected by December 31, 2020? To help residents meet this deadline, the City is offering a free program throughout 2018 to disconnect residential downspouts. To schedule a downspout disconnection, call 311 or visit southbendin.gov/freedisconnect.

There's still time to take advantage of the Curb and Sidewalk Repair Reimbursement Program, which assists property owners in making needed repairs to curbs and sidewalks abutting their properties. The reimbursement rate is \$20 per linear foot for sidewalk and \$15 per linear foot for curbs. All work must be performed by a private, bonded contractor to be selected by the property owner. The City will also reimburse up to \$950 for the construction of accessible sidewalk ramps in compliance with the Americans with Disabilities Act. For more info, call 311 or visit southbendin.gov/curbsidewalkprogram.

If you have spare tires, please drop them off at St. Joseph County Hazardous Waste Disposal at 828 Kerr St. Last year, Code Enforcement collected over 7,000 improperly disposed tires throughout the city! Let's work together to keep our community clean.

Have a great August, and I'll see you in the City!

Sincerely,

Mayor Pete

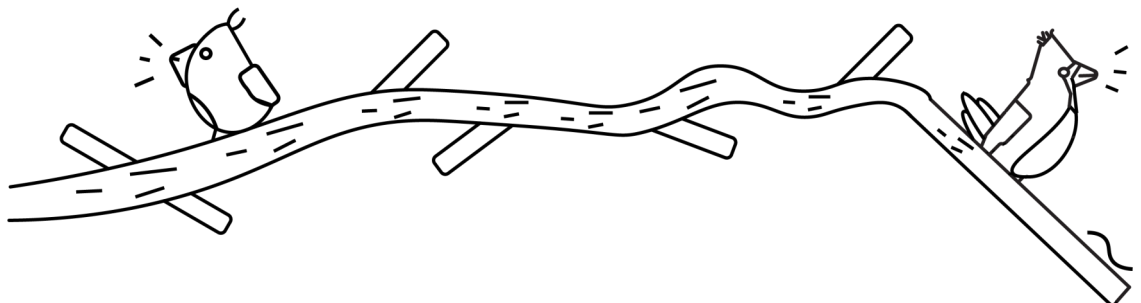

## Greetings, South Bend!

Football season is right around the corner, and with home games come many visitors to South Bend and questions about lawn parking. Be mindful that accommodations are made for Special Events and large gatherings (e.g. Notre Dame home games), but per Section 14-42 of the *South Bend Municipal Code (SBMC)*, lawn parking is always unlawful (even during special events) throughout the City without a conditional Special Event Permit. If you are considering opening your lawn for game day parking, you can avoid costly lawn parking fines by obtaining a conditional permit from the City Clerk's Office on the 4<sup>th</sup> floor of the County-City Building. The application can be found online.

In regard to parking violations, there are a few important distinctions to be made. All lawn parking violations throughout the City are fined \$100.00 per violation to the vehicle owner (*SBMC Section 14-58*), unless the lawn parking violation relates to Special Event restrictions (e.g. Notre Dame home games). In this case, all Special Events violations start at \$100 per violation and charged to the property owner (*SBMC Section 14-44*). The permit must be visible on the day(s) it is being used, and lawn parking is only permitted for the specific days outlined in the permit. Feel free to contact the City Clerk's Office with any questions. Go Irish!

Sincerely,

Kareemah Fowler, City Clerk
