

City of South Bend

August—September 2019

Dear Neighbor,

We are in the height of summer in South Bend! As we head into August, it is important to stay hydrated and limit outdoor time in the heat of the day. The newly-renamed South Bend Animal Resource Center would like to remind residents that smart summer preparation goes for pets, too. Be sure that pets have enough water and access to shade, and don't leave them in hot vehicles.

The South Bend Venues, Parks and Arts Department has a great lineup of activities for the end of the summer and the beginning of the school year. The Elbel Park and Golf Course will host the Directors' Youth Scholarship Golf Outing on September 6 at 10:00 a.m. The event supports the Youth Scholarship Fund, which helps young residents go to camp, play in sports leagues, and learn valuable skills. To learn more visit sbvpa.org.

The Department of Public Works wants to remind residents to keep yard waste bins free of contamination. When trash is placed in yard waste, bins become contaminated and can no longer be used for mulch. The 2019 Curb & Sidewalk Reimbursement Program is open to all property owners. Homeowners and property owners, including businesses, within city limits can now participate in the program. The Curb & Sidewalk program assists with making repairs to curbs, sidewalks, and ADA ramps abutting their properties. Those interested in participating in the program can view more information at southbendin.gov/curbsidewalkprogram or call 311.

Code Enforcement would like to remind residents that now is the time to schedule fall neighborhood cleanups. The department enjoys partnering with community members to make South Bend's neighborhoods sparkle. Call 311 to schedule today.

Stay cool, enjoy the sunshine, and I'll see you in the City!

Sincerely,

Mayor Pete

Clerk's Corner

Greetings, South Bend! Summer has flown by and it's now time to start thinking about the 2019—2020 school year. Colorful pens and pencils, backpacks and lunchboxes, and bundles of homework are all part of the familiar school routine, but, as we wave our children off to the bus stop or to the welcoming doors of their new school building, it's also important to keep the safety of all of our students in mind.

Drivers are prohibited from using hand-held mobile devices of any kind while driving in a school zone (South Bend Municipal Code Article 13: §20-131). In school zones, the speed limit is 25 miles per hour. Speeding or using a mobile device in a school district can result in fines up to \$250 (SBMC 13: §20133). Additionally, traffic in both directions is required to stop when students are entering or exiting a school bus. Please help ensure the safety of our students by taking extra precautions in designated school zone areas for the safety of our students.

I'd like to thank the residents of South Bend for electing me as South Bend's 22nd City Clerk and giving me the opportunity to serve in the community I love, for which I'm humbled and honored. I am transitioning to a new position as CFO of the SBCSC, and resigning my position as City Clerk effective August 1st, 2019. It has been a pleasure serving you.

Sincerely,

Kareemah Fowler, City Clerk
