

# City of South Bend

September—October 2019

Dear Neighbor,

It's hard to believe we are already in September, heading back to school and already preparing for fall weather. But just because the temperature is dropping doesn't mean the fun will!

Save the date for Stu and Swoop's Cops and Goblins Trick or Treat Night at Four Winds Field on October 28 from 5:00-7:30 p.m. Join the South Bend Police Department, the South Bend Cubs, and organizations from throughout the area for a night of safe trick-or-treating. If you're still in the Halloween spirit, head to the Charles Black Center on October 31 for carnival games, a costume contest, tasty treats, and more starting at 6:00 p.m.

The Rum Village Nature Center continues to hold nature walks on Sundays at 2:00 p.m. Join these free guided tours to learn more about the animals and habitats of Rum Village. It's a fun afternoon activity for the whole family!

The Department of Public Works would like to remind residents that yard waste bins should not be contaminated with trash, food waste or plastic of any kind. If contaminated, yard waste cannot be converted into mulch for complimentary use by residents.

The Value of Water's "Imagine a Day Without Water" is Wednesday, October 23. Basic morning habits – brushing your teeth, showering, flushing the toilet, making coffee – all involve the use of water. Have you ever thought about where water goes to get cleaned before it comes from your faucet or where it goes after its used? It's important to recognize how vital water is to our daily lives and how our quality of life would be much different without it.

The South Bend Animal Resource Center will be offering a free rabies clinic on September 29 from 12:00 p.m. to 3:00 p.m. at 521 Eclipse Pl. Dogs should be on a leash and cats in carriers. Code Enforcement would like to remind residents to move their trash cans back away from public view once trash has been collected. Failure to move trash cans from the street may result in tickets being issued.

Have a great month, and I'll see you in the City!

Sincerely,

Mayor Pete

Clerk's Corner

Summer may have ended sooner than many of us might've hoped but fall brings many new exciting happenings in South Bend, including, football! Less exciting of course is how to handle the leaves accumulating in your yards. Here are some helpful steps from the Street Department to streamline the leaf collection process:

Please rake leaves to the curb line but do not rake leaves into the street, as this will plug the street drains, which could cause flooding during rain.

Avoid parking on top or in front of leaf piles along curb lines, as this hampers collection crews.

Do not contaminate leaf piles with sticks, trash, or other debris. To prevent equipment damage, crews cannot collect such piles and property owners will be responsible for their disposal.

Burning leaves is a violation of City ordinance (South Bend Municipal Code § 9-20).

During this beautiful and exciting season, thanks for doing your part to keep South Bend beautiful!

Sincerely,

Your newly elected City Clerk.

Dawn M. Jones
