

City of South Bend

January – February 2021

Hello Neighbor,

I hope you and your family are well and that you were able to celebrate the holidays and New Year safely.

This winter will continue to be difficult, as we still must remain vigilant against the spread of COVID-19. With the beginning of vaccine distribution occurring nationally and locally, we are at the homestretch in our fight against the virus. Our situation will get better in the coming months and return closer to normal by the end of summer.

Looking back on 2020, it's clear that we all owe our thanks to the healthcare workers who've worked tirelessly to treat infected patients, first responders who've always been there when called, and essential workers who've kept our economy afloat. By the end of 2021, I hope this pandemic and its economic fallout is behind us.

As a result of conditions locally and recommendations from public health officials, St. Joseph County and the City of South Bend will continue to keep the County-City Building closed to the public through January 15, in efforts to limit the spread of COVID-19. If you need to access City services remotely, you can still do so by calling 311 or by visiting southbendin.gov/covid19cityservices.

Solid Waste is offering free Christmas tree disposal for residents within city limits from Monday, January 4 to Thursday, January 28. Christmas trees collection will take place on the same day as trash pickup. Residents can schedule their pickup by submitting an online request at southbendin.gov/treepickup or by calling 311.

Please also remember to have City trash bins clear of snow on scheduled pickup days. City containers must be placed in front of snow banks and not be blocked by any vehicles. Please do not place City containers behind or on top of snow banks or on sidewalks.

The City of South Bend, South Bend Community School Corporation, and enFocus, Inc. have teamed up to provide free internet connections to SBCSC student households in need through the Citywide Classroom South Bend program. If you or a family you know would benefit from a free in-home internet connection, please contact Citywide Classroom by calling 574-703-1881 or visit them online at citywideclassroomsb.org.

Thank you for reading, and I wish you and your loved ones a Happy New Year!

Sincerely,

Mayor Mueller

Clerk's Corner

HAPPY NEW YEAR SOUTH BEND!

As we enter the new year, please keep in mind that the current version of Chapter 20, Article 13 of the South Bend Municipal Code prohibits the use of certain hand-held communication devices in school zones.

Data has made it clear that distracted driving through use of hand-held communication devices has increased accidents resulting in personal and property damages. Using a hand-held communication device in a school zone, as well as speeding in school zones where the speed limit is 25 miles per hour, can both result in fines up to \$250 (SBMC 13: §20-133).

Additionally, traffic in both directions is required to stop when students are entering or exiting a school bus. Please help ensure the safety of our students by taking extra precautions in designated school zone areas for the safety of our students.

For comments or concerns, you may contact The Office of the City Clerk at 574-235-9221 or sbcityclerk@southbendin.gov.

2020 was a great year for the City of South Bend and we look forward to continuing to serve and inform our citizens into and throughout the new year.

Best,

Dawn M. Jones
City Clerk
