A6: No! Licensing is not breed specific.

**Q7: Why is there a higher licensing fee for animals that aren't spayed / neutered?**

**Q8: What if I plan to get my pet spayed / neutered? Do I still have to pay the higher license fee?**

A8: If you bring us a pre-paid spay/neuter certificate from a veterinarian or animal clinic we will license your pet at the lower fee.
